JOSE L HERNANDEZ

PROFESSIONAL SUMMARY

A versatile UX Designer with a strong background in front-end development and multimedia, passionate about creating accessible and user-centered digital experiences. Equipped with a Google UX Design Professional Certificate and a certificate in Front End Development/UX from Ohlone College. Strong interest in accessibility and creating meaningful digital interactions.

SKILLS

- **UX Design:** Wireframing, Prototyping, User Research, Usability Testing, Accessibility Design
- **Front-End Development:** HTML, CSS, JavaScript, React, Responsive Design
- **Design Tools:** Figma, Adobe XD, Sketch, InVision, Adobe Creative Suite
- **Languages:** English, Spanish

Projects

Elysian Gallery

August 2024 – PRESENT

- Built a mobile application that enables users to discover, curate, and purchase artwork.
- Created low-fidelity (Loft) and high-fidelity (HiFi) wireframes, progressing to functional high-fidelity prototypes.
- Conducted usability testing to iterate and improve the user experience across devices.
- Applied responsive design principles to ensure accessibility and usability on different screen sizes.
- Conducted competitive research, identifying competitors such as Artsy, Sotheby's, and 1stDibs.
- Focused on accessibility features, ensuring inclusivity in design.
